^[1] The information contained in these columns was obtained from the BLMIS customer statements.

^[2] The results of our analysis of the activity in the 703 Account and the 509 Account are set forth in Excel spreadsheets titled "JPMC 703 Account Activity - December 1998 to December 2008" and "JPMC 509 Account Analysis - December 1998 to December 2008", which are attached as **Exhibits 4** and **5**, respectively.

^[3] For withdrawals via wire transfers, the banking institution, the bank account number and the bank account holder are based on information contained in the JPMC Wire File and/or the 703 Account bank statements. For withdrawals via checks, the banking institution, bank account number and bank account holder are based on information contained on the back of the cancelled check, including the endorser of the check.

^[4] The copy of the cancelled check from BLMIS bank records was endorsed by "Stuart Leventhal 2001 Irr. Tr." for deposit into account xxxx4119, which corresponds to an account at Sterling National Bank (*see* 10-04492_SN8_0000651-72). However, the bank records produced to the Trustee by Sterling National Bank do not reflect a \$200,000 deposit in April 2007 (*see* 10-04492_SN8_0000662). As the copy of the cancelled check from BLMIS bank records also includes multiple processing stamps from JPMorgan Chase, I have assumed that the check was deposited to a bank account at JPMorgan Chase. There were no records produced to the Trustee by JPMorgan Chase for months prior to January 2008 and therefore, I am unable to identify the bank account number into which this deposit was made.
